

# CITY OF LYONS

PRIDE *of the* TRAIL

On behalf of the City of Lyons and its citizens, I would like to thank you for your interest in our community. I believe you will find our community of 3,700 people is a vibrant and prosperous one without equal in the state of Kansas.

Our community's agricultural roots have imparted many lessons; among the most important--teamwork will always be the basis of our success story. Lyons has long-standing partnerships with Rice County, the State of Kansas, federal agencies, and our business community. The continued success of our community is a result of the support and can-do attitude of our citizens. Our vision focuses on building our successes to continue development throughout our community.

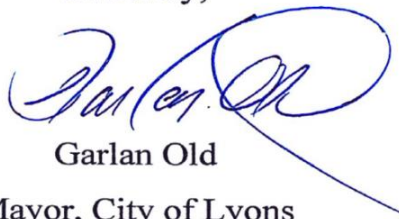

The business climate of Lyons is favorable for residential, commercial, and industrial development. Recent residential and commercial activities demonstrate the strength of our diverse economy. To support continued community growth, the City of Lyons has an attractive, and very competitive, economic incentive program.

Our incentive package draws on local resources like our land bank, utility assistance program, and revitalization zones to ease your expansion, relocation, or start-up process. Lyons' location in the center of Kansas and the center of the United States makes it a great location for your business. U.S. Highway 56 and State Highways K-96 and K-14 serve Lyons and allow for easy access to Interstates 135 and 70.

The people of Lyons enjoy conveniences of a larger city, like award-winning educational institutions, state of the art medical facilities and abundant recreation opportunities. For all of the large city conveniences the community still retains its small-town sensibilities and values. We are a progressive city, constantly seeking ways to improve the growth and vitality of our community while respecting our unique heritage.

When you arrive in Lyons, you will discover we are a friendly, welcoming community with something to offer everyone. Please accept our invitation to become a part of our success story, you will find Lyons to be AN UNEXPECTED PLEASURE!

Sincerely,

Garlan Old  
Mayor, City of Lyons
